

Siemens Ultrasound Continuing Education Workshops 2009-10

Innovation for generations.

SIEMENS

Siemens is pleased to announce its Ultrasound Continuing Education Workshops for 2009-10, an initiative of the Siemens Life Program.

The workshops are designed to provide a forum for sonographers to develop their skills by continually staying in the forefront of latest techniques and knowledge in ultrasound, whilst sharing best practices with other Siemens users. The format of the workshops include presentations from leading speakers and

hands-on demonstrations. The Siemens Ultrasound Continuing Education Workshops will be held in Sydney, Melbourne, Brisbane, Adelaide and Perth. CPD points applicable.

How to register:

To receive advance notification about these free workshops, please register your interest at www.siemens.com.au/healthcare or speak to your local Siemens Account Manager.
