Siemens CT & MR Life

You are cordially invited to attend the Siemens CT & MR Life Users Forum, being held during the day prior to the RADaim conference on Friday, 24 July 2009.

Improve your workflow efficiency and go beyond simply imaging patients by learning and sharing best practices from your fellow CT and MR colleagues.

The users forums will include presentations from leading local speakers covering clinical hot topics, new imaging innovations and interesting case studies.

Users Forum at RADaim – Melbourne

Spend a relaxing evening after the forum over truly authentic Chinese cuisine at Shark Fin Inn in the city with your fellow colleagues from the CT and MR community and our friendly Siemens team.

Register today as spaces are limited. Please advise if you are attending the CT stream or the MR stream when you register, and also if you are joining the dinner.

CPD points applicable.

This initiative is brought to you by Siemens Life.

We look forward to seeing you there.
