Innovation for generations.

**SIEMENS**

# Accessing the latest product releases and sales material has never been so easy

Our new extranet opens up a world of resources to empower you with up-to-date information about our product range.

As a Siemens customer, you need to have immediate access to the latest brochures, catalogues and collateral to service both yourself and your customer in an efficient and effective way. Having up-to-date product information at hand is imperative to meeting your highest service standards.

## Online downloads

The Siemens Industry Extranet enables you to access local and global resources in a convenient and user-friendly way, allowing for fast download in PDF format.

## Hardcopy ordering

The Siemens Industry Extranet also allows you to place orders for hardcopies of our sales material and resources directly with Siemens. Charges may apply.
